

Stockings for Stocking!

Merry Christmas and Happy Holidays from Stocking Elementary!

The holiday season is quickly approaching! While COVID-19 still affects the way we do many things, our goal is to keep this tradition alive! We need your help in collecting small gifts to fill a stocking that every Stocking student will receive. Our hope is that every Stocking student feels special and personally loved this holiday season.

Here's the plan:

- [SIGN UP HERE](#) to sponsor a student (or more!). Each child will receive 6-7 items in their stocking. EX: If you plan to sponsor 10 students, that would be 60-70 items total.
- We ask that unwrapped gifts be dropped off/delivered to Stocking Elementary (ATTN: KSSN) M-F between 9am-3pm before Friday 12/3. Our front entrance is by the flagpole.
- Crossroads Church youth group will assemble stockings on 12/5.
- Stockings will be delivered to students by the second week of December.

Thank you for caring for our students!

Warmly,
The Stocking Team
